CARNIVAL MASK

You will need:
Coloured cardboard plate, thick colour paper, paper straw, hole punch, scissors.

1. Cut the cardboard into two equal parts.

2. Using a whole punch, make two round holes at eye level.

3. To make the feathers of the mask, use the template, place it on a sheet of paper and fold it in half.

4. Make notches using the scissors.

5. Finally, glue the beak and feathers.

Perfect!
